★★ ELECT ★★
RONNIE BATES
 for
Director
Little Ocmulgee EMC

Hello, my name is Ronnie Bates, and I am excited for the opportunity to serve as your Director at Little Ocmulgee EMC. I was born and raised in rural Laurens County and have lived on Little Ocmulgee EMC lines my entire life. Like many of you, I came from a hard-working family. I know what it's like to struggle to pay a light bill. I have a deep appreciation for Little Ocmulgee EMC and the dedicated employees who work there to keep the lights on. I understand the value of friends, neighbors, and relatives, and I am dedicated and committed to continuing to provide our communities with safe, reliable, affordable electricity for many years to come.

I am married to Mandy Bates, and we have four children and 2 grandchildren. I have owned and operated B&S Industrial Contractors since 1998 as well as Bates Equipment Rental & Supply as of this year. I began working in the construction/welding field over 35 years ago and now I am proud to see how much the industry has grown that we now have over 50 employees and offer a wide range of services.

My desire to be director for the Little Ocmulgee EMC come from hard work and being a proven business person. I hope to bring experience and knowledge to the co-op that will yield great benefits for all the members. Although I'm not a politician, I have lifelong relationships with many members and business generated from open lines of communication and problem solving.

I have been a Member of Little Ocmulgee EMC since 1988, so I know they are a great group of employees. I truly consider it a privilege to have the opportunity to run for Board of Directors of an organization with such wonderful, dedicated staff. I would like to respectfully ask for your vote for the Board of Directors, and I would greatly appreciate your support. I look forward to meeting and talking with as many Members as possible between now and the upcoming Annual Meeting, and I look forward to seeing you in Alamo at the Wheeler County Recreation Department on Wednesday, November 10th. If you have any questions or concerns, please contact me at 478-290-7641
