PRICE REDUCED!!

\$200,000

Location is the key word for this 3 Bedroom, 2 bath home! This traditional brick home is located in a well established and desirable neighborhood. The home is also located near most shopping and the Dublin City Schools are near as well. You will also find this home to be great for anyone in need of handicap access, with a remodeled handicap bath and single level floors throughout the home. The large masonry fireplace will be a favorite spot during the winter months. Outside you will also find a storage shed, privacy fence, fenced pet area and large shade trees. The front view of the home is great as well, looking over the street into the well manicured pond across the street. This home is part of a family estate sale so no improvement have been planned at this time. There is new carpet in the home, but with new paint and some updating by the new owners it will make a great home.
