Hammie Sammies

- 4 tablespoons Salted Butter, melted
- 1 tablespoons Dijon mustard
- 1 tablespoon honey
- 1 tablespoon dried parsley
- 1/8 teaspoon onion powder
- 1/8 teaspoon garlic powder
- 1 package sweet Hawaiian rolls
- 1/2 pound thinly sliced cooked deli honey ham
- 1/2 pound thinly sliced Swiss cheese

BUYING TIMBER & TIMBERLAND Large & Small Tracts BEST PRICES 478-290-3082

Spray an 11-inch x 7-inch baking dish with nonstick cooking spray. In a small bowl, stir together the honey, dried parsley, onion powder and garlic powder. Do not pull the rolls apart, simply use a large knife to cut the rolls in half as you would slice a bagel, separating the tops from the bottoms. Place the layer of bottom rolls in a 9x13-inch baking pan, cut side up. Layer half of the ham onto the rolls. Next, layer the Swiss cheese over the ham, and top with remaining ham slices. Place the layer of tops onto the sandwiches. Brush all of the butter mixture evenly over the rolls. At this point you can cover and refrigerate for up to 4 hours, or bake immediately. When you're ready to bake, preheat the oven to 350 degrees F. If your pan isn't covered with foil, go ahead and cover it now. Bake covered sliders in the preheated oven for 12 minutes. Remove the foil from the baking pan, return the sliders to the oven and bake uncovered for an additional 10 minutes.

Philly Cheese Steak Egg Rolls

- 1 1/2 tablespoons butter
- 1 green bell pepper chopped
- 1/2 cup onion chopped
- 1 pound boneless rib eye steak sliced or coarsely chopped
- salt and pepper to taste
- 6 slices provolone cheese
- 12 egg roll wrappers
- oil for frying
- ranch for dipping optional

Melt half of the butter in a large pan over medium high heat. Add the peppers and onion and cook 3-4 minutes or until softened. Remove the vegetables from the pan and cover to keep warm. Melt the other half of the butter and add the rib eye to the pan. Season with salt and pepper to taste. Cook the steak for 3-4 minutes or until browned and just cooked through. Place the peppers and onions back into the pan with the steak. Lay out an egg roll wrapper and place 1/2 of a slice of cheese in the center. Spoon approximately 2-3 tablespoons of steak filling onto each egg roll wrapper and fold according to package directions, using water to seal the edges of the wrappers as you go. Pour 2-3 inches of oil into a deep pan. Heat the oil to 350 degrees. Fry 3-4 egg rolls at a time, turning occasionally, until browned all over, approximately 3-5 minutes. Drain on paper towels, then serve with dipping sauce of your choice.

7 Layer Dip

- 1 1/4 cups salsa
- 16 ounces refried beans canned
- 2 tablespoons milk
- 8 ounces cream cheese softened
- 1/2 cup sour cream
- 2 tablespoons taco seasoning
- 1 cup guacamole prepared
- 1 1/2 cups cheddar cheese
- 1/2 cup black olives or tomatoes
- 4 sliced green onions

Place salsa in a sieve to drain any liquid (this keeps your dip from getting runny). Combine refried beans and milk (or you can use the liquid from the salsa if you prefer) until smooth. Spread in the bottom of a 9x13 pan. Combine cream cheese, sour cream and taco seasoning with a mixer on medium. Spread over refried beans. Spoon guacamole over cream cheese and gently spread. Repeat with drained salsa. Top with cheese, olives/tomatoes and green onions. Chill 1 hour before serving. Serve with tortilla chips or crackers.

Why you need dental insurance in retirement.

Many Americans are fortunate to have dental coverage for their entire working life, through employer-provided benefits. When those benefits end with retirement, paying dental bills out-of-pocket can come as a shock, leading people to put off or even go without care.

Simply put – without dental insurance, there may be an **important gap** in your healthcare coverage.

When you're comparing plans...

- ▶ Look for coverage that helps pay for major services. Some plans may limit the number of procedures – or pay for preventive care only.
- ▶ Look for coverage with no deductibles. Some plans may require you to pay hundreds out of pocket before benefits are paid.
- ▶ Shop for coverage with no annual maximum on cash benefits. Some plans have annual maximums of \$1,000.

Medicare doesn't pay for dental care.¹

That's right. As good as Medicare is, it was never meant to cover everything. That means if you want protection, you need to purchase individual insurance.

Early detection can prevent small problems from becoming expensive ones.

The best way to prevent large dental bills is preventive care. The American Dental Association recommends checkups twice a year.

Previous dental work can wear out.

Even if you've had quality dental work in the past, you shouldn't take your dental health for granted. In fact, your odds of having a dental problem only go up as you age.²

Treatment is expensive – especially the services people over 50 often need.

Consider these national average costs of treatment ... \$217 for a checkup ... \$189 for a filling ... \$1,219 for a crown.³ Unexpected bills like this can be a real burden, especially if you're on a fixed income.
