Easy French Toast

1 egg
1 teaspoon McCormick® All Natural Pure
Vanilla Extract
1/2 teaspoon McCormick® Ground Cinnamon
1/4 cup milk
4 slices bread

Beat egg, vanilla and cinnamon in shallow dish with wire whisk. Stir in milk. Dip bread in egg mixture, turning to coat both sides evenly. Cook bread slices on lightly greased nonstick griddle or skillet on medium heat until browned on both sides. Serve with Easy Spiced Syrup (recipe follows), if desired. Voila, easy French toast. Easy Spiced Syrup: Add 1 teaspoon McCormick® Pure Vanilla Extract and 1/4 teaspoon McCormick® Ground Cinnamon to 1 cup pancake syrup; stir well to mix. Serve warm, if desired.

Breakfast Casserole

1lb Sausage
6 Eggs
2 cups Cheddar Cheese shredded - I
like cheddar but you can use your
favorite
1/2 package Frozen Hashbrowns 15oz
2 cups Milk
1 tsp salt
1/2 tsp pepper

Preheat the oven to 350 degrees. Crumble sausage into a skillet on the stove and brown completely. Remove from heat. In a large bowl, mix eggs and milk together and whisk well. Add salt and pepper to this mixture and stir. To a 9x13 dish, add frozen hashbrowns, sausage, and cheese - stir together in the dish. Pour the egg/milk mixture into the dish. Bake at 350 degrees for 45 minutes - covered with foil. Remove the foil and bake for about 10-15 minutes more until the dish is bubbly and cheese is melted.

Cinnamon Roll Coffee Cake

1 tube (17-1/2 ounces) large refrigerated
cinnamon rolls with cream cheese icing
2 packages (8 ounces each) cream cheese,
softened
3 large eggs
1/2 cup sugar
1 teaspoon vanilla extract
1/2 cup chopped pecans
1/4 cup all-purpose flour
1/4 cup quick-cooking oats
1/4 cup packed brown sugar
1 teaspoon ground cinnamon
3 tablespoons butter, melted
Whipped cream and additional ground
cinnamon, optional

Unroll the tube of cinnamon rolls into one long rectangle. Press onto the bottom of a greased 13x9-in. baking dish; seal perforations. Set aside icing packet from cinnamon rolls. In a large bowl, beat the cream cheese, eggs, sugar and vanilla until smooth. Pour over crust. In a small bowl, combine the pecans, flour, oats, brown sugar and cinnamon; stir in butter. Sprinkle over cream cheese layer. Bake at 350° for 25-30 minutes or until a toothpick inserted in the center comes out clean. Drizzle with contents of icing packet; let stand for 15 minutes before serving. If desired, serve with a dollop of whipped cream sprinkled with additional cinnamon.

The Borzoi formerly known as the Russian Wolfhound was originally bred by the Tsars in Russia to hunt wolves relying

ing on sight instead of scent. They were bred for speed, stamina, agility, and courage in order to chase, catch, and to hold or kill a wolf. Borzoi literally means speed in Russian as they are capable of running up to 45 mph. Contrary to this description, Borzoi are by nature quiet and gentle with a humble demeanor.

Thor was aptly named for a superhero. He was the first Borzoi to be awarded the AKC Therapy Dog Excellent title and silver medallion. Thor was the first therapy dog to enter Dodge County Hospital to begin the therapy dog program there. He was the first therapy dog to enter Fairview Park Hospital to present a program on the benefits of therapy dogs. He attended many civic and mission group luncheons to promote the therapy dog program. He worked tirelessly visiting nursing homes, assisted living facilities, schools, libraries, women and children shelters, and special events in Laurens and surrounding counties. He participated several years in the school reading programs.

Thor was not just a therapy dog by title. He had the heart to be a therapy dog. He intuitively knew what he needed to do. He knew how to be steady during an onslaught of multiple excited, screaming children with many pushing and pulling hands. He knew how to gently lay his head on a lap or bedside to be petted by hands crippled by arthritis. He knew how to listen attentively to children read and to look at the pictures they shared.

He knew to walk when I walked, to stop when I stopped, and to wait patiently when I lingered to talk.

But sadly, even superheroes grow weary. His back legs could not support his body without help. Then, his front legs gave out. He slept a lot, dreaming of his brothers, Mojo and Twist, gone before him. He was tired and ready to join them. We made the hard decision to ease his pain and to end his time here on Earth. In losing him, I lost my therapy partner, my friend, and my hero.

We give a special thank you to Dr Jim Hobby of Smalley’s Animal Hospital for his kindness and compassion to Thor and to his owners. Thor will be deeply missed by his grieving family and friends. Thor leaves a legacy of service that many humans would be proud of. His legacy will live on long after his death.

And in answer to that question that many ask, “Who’s a good dog?!” THOR WAS.
