Thank You Malcolm I Love My New Ride!

I went looking for vehicles and wanted to share my experience, not just as a customer but a Woman, I met Mr. Malcolm Wilcher who I learned has transitioned life from 6 years in the Navy to the car business, he is a huge asset to the city of Dublin, in his spare time he even contributes to the homeless shelter. Malcolm greeted me at the door with a smile and made me feel both welcome and comfortable. I was extremely nervous to purchase a new vehicle by myself and he calmed all of my jitters and placed me in the car of my dreams. He and his team made it happen for me. I appreciate the time that both he and Mr. Al Johnson took explaining every single detail, thought, and concern I had. It definitely wasn't the typical car dealership experience. If you are in the market for a new or used car, please go check out Dublin Nissan Chevrolet GMC and Buick, They are great!
