ADVERTISEMENT

**Why you need dental insurance in retirement.**

Many Americans are fortunate to have dental coverage for their entire working life, through employer-provided benefits. When those benefits end with retirement, paying dental bills out-of-pocket can come as a shock, leading people to put off or even go without care.

Simply put – without dental insurance, there may be an important gap in your healthcare coverage.

**When you're comparing plans...**

- ▶ Look for coverage that helps pay for major services. Some plans may limit the number of procedures – or pay for preventive care only.
- ▶ Look for coverage with no deductibles. Some plans may require you to pay hundreds out of pocket before benefits are paid.
- ▶ Shop for coverage with no annual maximum on cash benefits. Some plans have annual maximums of \$1,000.

**Medicare doesn't pay for dental care.<sup>1</sup>**  
 That's right. As good as Medicare is, it was never meant to cover everything. That means if you want protection, you need to purchase individual insurance.

**Early detection can prevent small problems from becoming expensive ones.**  
 The best way to prevent large dental bills is preventive care. The American Dental Association recommends checkups twice a year.

**Previous dental work can wear out.**  
 Even if you've had quality dental work in the past, you shouldn't take your dental health for granted. In fact, your odds of having a dental problem only go up as you age.<sup>2</sup>

**Treatment is expensive — especially the services people over 50 often need.**  
 Consider these national average costs of treatment ... \$217 for a checkup ... \$189 for a filling ... \$1,219 for a crown.<sup>3</sup> Unexpected bills like this can be a real burden, especially if you're on a fixed income.

## Mini Chicken & Biscuit Sandwiches

1 tube (12 ounces) refrigerated buttermilk biscuits  
5 boneless skinless chicken breasts (4 ounces each)  
1/2 teaspoon salt  
1/2 teaspoon dried thyme  
1/4 teaspoon pepper

1 tablespoon canola oil  
1 tablespoon butter  
Optional toppings: Cranberry chutney, lettuce leaves, sliced tomato and red onion

Bake biscuits according to package directions. Meanwhile, cut chicken crosswise in half. Pound with a meat mallet to 1/4-in. thickness. Sprinkle with salt, thyme and pepper. In a large skillet, heat oil and butter over medium-high heat. Add chicken in batches; cook until a thermometer reads 165°, 2-3 minutes on each side. Split biscuits in half; top with chicken and toppings as desired. Replace tops.

## Gourmet Garden Tomato Salad

1-1/2 pounds red, yellow and/or orange tomatoes, cut into 1/4-inch slices  
1/3 cup olive oil  
1/3 cup balsamic vinegar  
1 tablespoon sugar

1/4 teaspoon salt  
1/4 teaspoon pepper  
1/2 cup crumbled feta cheese  
1/3 cup fresh basil leaves, thinly sliced

Arrange tomatoes on a serving platter. In a small bowl, whisk the oil, vinegar, sugar, salt and pepper. Drizzle over tomatoes. Sprinkle with cheese and basil.

## Stovetop Macaroni & Cheese

1 package (7 ounces) elbow macaroni  
1/4 cup butter, cubed  
1/4 cup all-purpose flour  
1/2 teaspoon salt

Dash pepper  
2 cups whole milk  
8 ounces sharp cheddar cheese, shredded  
Paprika, optional

Cook macaroni according to package directions. Meanwhile, in a large saucepan, melt butter over medium heat. Stir in flour, salt and pepper until smooth; gradually whisk in milk. Bring to a boil, stirring constantly; cook and stir 1-2 minutes longer or until thickened. Stir in cheese until melted. Drain macaroni; add to cheese sauce and stir to coat. If desired, sprinkle with paprika.

HughesNet is a registered trademark of Hughes Network Systems, LLC, an EchoStar Company.  
1 The HughesNet Gen5 service plans are designed to deliver download speeds of 25 Mbps and upload speeds of 3 Mbps, but individual customers may experience different speeds at different times of the day. Speeds and uninterrupted use are not guaranteed and may vary based on a variety of factors including: the configuration of your computer, the number of concurrent users, network or Internet congestion, the capabilities and content of the Websites you are accessing, network management practices as deemed necessary, and other factors. When you connect to the HughesNet service using Wi-Fi, your experience will vary based on your proximity to the Wi-Fi source and the strength of the signal.  
2. Free standard installation applies to new Lease subscribers only. Not valid with Purchase option. Limited-time offer. Restrictions may apply.  
3. Per the 5th, 6th, 7th and 8th FCC Measuring Broadband American Reports. Go to: <https://www.hughes.com/who-we-are/resources/press-releases/>  
- Minimum term required. Monthly service and early termination fees apply. Visit [legal.hughes.com](http://legal.hughes.com) for details.
