The once a year citrus sensation!

Like our popular full-size Honeybells, Mini Honeybells are packed with rich flavor and juicy goodness, but come in a size that fits in the palm of your hand. While "bell" is in their name and they're part of the Honeybell family, Minis don't always fully develop into a bell shape. But we can assure you they don't lack in quality or taste! Rare Hale Honeybells are available in limited quantities for a limited time! Pre-order now to reserve your share of this year's crop with this delicious deal!
